Hello Everyone,

I am Sandy Futter. The President/Executive Director of Project 29:11, a Community Development Company. It's my pleasure to reconnect, or connect with you as the case may be, regarding the Back-2-School Blast. Many of you know me from Covina Assembly. I am the Community Services Director there. Recently, with the blessing of Covina Assembly, I have started the above-named nonprofit and this event will now and in the future be coordinated by Project 29:11. FYI, we provide many free services to the community. Please contact me at the email listed below, if you would like more information about these services.

As in the past, at the Back-2-School Blast we will be providing backpacks filled with school supplies for children and a meal for their families. Due to the large number of people who attend this event and our limited budget, we will not be able to feed any volunteers whatsoever. However, there is a snack bar at the park which sells hot dogs, nachos, drinks and candy. We are hoping once again to have the students from Marinello School of Beauty and American Beauty College there to provide free haircuts. We also have a Health Unit that will be providing free dental, medical and vision screenings.

If you're receiving this event invite for the first time, great! We want to partner with new agencies/vendors, to be able to provide more services/different resources that are accessible to families and individuals attending the event. Several of you have already participated in the past or you may have expressed an interest in participating in the event this year. Therefore, I am extending an invitation to each of you. You each represent agencies that can be of help to the families that attend our event. These are families and individuals that are living at or below Federal Poverty level.

This year the event will be held on Friday, August 2nd from 5:00 - 7:30 @ Covina Park, which is located at 300 W. San Bernardino Rd., Covina. As you know this event is getting bigger every year and the agencies that participate are growing in number. Therefore, I am attaching a "Participation and Registration Form". I ask that you fill it out and return it to me no later than July 15th. This hopefully will alleviate any confusion and there will be sufficient room for everyone.

The community people usually arrive as early as 3:00pm, so your representative can arrive any time after 3:00 to set up in their area. If you're bringing brochures and materials, please keep in mind we had over 2,000 people in attendance last year.

As mentioned above, please RSVP no later than July 15th. You can fax the completed form to me at 626.966-6831 Attention Sandy Futter or email it to me at sfutter.p2911@gmail.com. If you need additional information, please feel free to contact me at 626.373-2976.
